

EUROGUSS - International Trade Fair for Die Casting, Technology, Processes, Products – the Die Casting Industry meets.

14 –16 January 2020 in Nuremberg, Germany.

The International Die Casting Industry meets at Europe's biggest trade fair for die casting for the 13th time. The Product Range shows innovative solutions for die casting processes like aluminium die casting, magnesium die casting or zinc die casting. The event also focuses on topics like rapid prototyping, die casting machinery and material testing.

Around 600 national and international exhibitors present their products, services and everything to the innovative solutions for die casting processes such as aluminum die casting, magnesium die-casting or zinc die-casting at the EUROGUSS Nuremberg trade fair. Subject areas such as rapid prototyping, CNC machines, metal alloys, die casting moulds, peripherals, joining processes, process optimization, energy efficiency, material testing, die casting machines or 3D print complete the range of exhibitors. As a highly specialized event with special shows, workshops, competitions and award ceremonies, EUROGUSS Nuremberg offers the central forum for trade visitors and the framework for international exchange of knowledge.

5 reasons for participating in EUROGUSS –

1. The die casting industry shows its skills here
2. The whole die casting value chain in one place
3. Top-class professional audience
4. Impressive growth rates and positive feedback
5. Before, during and after the exhibition
